

NAVNISHA
BESPOKE FURNITURE

Introduction

Navnisha is a unique venture born from the passion and vision of mother-daughter duo, Shilpi and Tanisha Dhingra. Combining Shilpi's years of expertise in luxury design with Tanisha's dedication to social impact, Navnisha creates beautiful, sustainable furniture while empowering workers and their families.

Mission & Vision :

Mission:

"To create bespoke, artistic furniture while promoting social good through job creation, education, and sustainability."

Vision:

"A future where design elevates not just spaces, but lives. Navnisha aims to lead the way in combining creativity with community-focused initiatives."
